5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30		

Printable Calendars From **123Calendars.Com**

Basic design for a schedule part of the app which would list times imported from other sources such as other calendars, garnet gate, or blackboard

Scheduling

Navigating

Import Calendar
Basic design for a navigation feature which would show you a potential shortest route and estimated walking time to your next activity
